2017 CYPRESS VINEYARDS
CABERNET SAUVIGNON
CENTRAL COAST

PRODUCTION NOTES

The windswept Cypress tree, the unmistakable signature plant of California's coastal terrain, owes its gnarled appearance to the maritime air's persistent movement inland and seaward. The ocean's influence on the Central Coast winegrowing region is significant, keeping coastal and inland valleys refreshingly cool at night, while preserving the grape's natural acidity. For Cypress Vineyards Cabernet Sauvignon, the 2017 vintage was characterized by high winter rainfall, followed by a warm spring and moderate summer temperatures. This vintage produced dark colored Cabernet Sauvignon with ripe, pure varietal flavors. Our passionate commitment to our Cypress Vineyards red wines is to preserve and showcase the alluring black currant and cherry fruit flavors resplendent in grapes grown in the Central Coast.

WINEMAKER'S COMMENTS

The 2017 Cypress Vineyards Cabernet Sauvignon features a deep red color with aromas of black currant and a hint of dark roasted coffee. The palate is rich and supple, leaving an impression that is serious enough for the connoisseur and friendly enough for the casual wine drinker. A delicious pairing with a range of dining options, from marinated beef kabobs to pasta, this wine can be enjoyed in its youth, or cellared gracefully up to three years.
