

# 2018 J. LOHR ESTATES

# BAY MIST

## WHITE RIESLING

“The 2018 J. Lohr Estates Bay Mist White Riesling is pale straw in color, offering aromas of paperwhites, daffodil, ripe apple, Meyer lemon, and lychee. These delicious aromas are complemented on the palate by cool climate minerality, rich texture, and a spritz of natural carbonation on the finish.”

—Kristen Barnhisel, winemaker, white wine

### VINTAGE

The 2018 growing season in the Arroyo Seco was characterized primarily by a cool spring and summer. With cool mornings and evenings, the Arroyo Seco weather was close to ideal for ripening the White Riesling grapes. The afternoon winds in the Salinas Valley increased the texture and extended the ripening for Riesling into November, our latest harvest date in recent years. The cool nights allowed the vines to retain their natural acidity with just enough ripeness to show the tropical side of this varietal. The Bay Mist White Riesling is a complex blend of two clones - FPS Clone 10, whose origin is unknown, and FPS Clone 17 from Geisenheim, Germany. These complementary clones provide a spectrum of varietal aromas, from citrus, lemongrass, and floral to focused minerality.

### VINEYARDS

The vines for our J. Lohr Estates Bay Mist White Riesling are grown in well-drained Chualar loam soils underlain by stones deposited from the Arroyo Seco River. The Region I climate, in concert with the winds of the Salinas Valley, extend the average growing season well into late October, preserving the natural grape acidity and vibrant fruit flavors. Our primary goal with this varietal is to evoke the purest manifestation of fruit from the vineyard, enhanced by a combination of cultured yeasts fermented in stainless steel to showcase the grape's complex character.

### FOOD PAIRINGS

Enjoy this versatile wine as an aperitif with goat cheese and prosciutto, spicy tuna sushi, or with Thai curry dishes.

### COMPOSITION BLEND

100% White Riesling

### ORIGIN

Arroyo Seco AVA, Monterey County, CA

### CELLARING

Fresh riesling flavors can be found within the next 4 years, or its bottle bouquet can be enjoyed over the next 10 years.

### HARVEST DATES

November 2 - 5, 2018

### BRIX AT HARVEST

24.0° Brix

### VINIFICATION

**Fermentation:** VL1 and Assmanshausen yeast; average length 11 days

**Maturation:** Four months in stainless steel tanks

### BOTTLING CHEMISTRIES

**pH:** 3.09

**Total Acidity:** 0.76 g/100ml

**Alcohol:** 13.13% by volume

**Residual Sugar:** 1.75 g/100ml

### WINE LIST DESCRIPTION

Aromas of paperwhites, pear, lychee, and lemongrass are complemented by the bright acidity, textured palate and long finish.

### HOW DID BAY MIST GET ITS NAME?

This wine takes its name from the mist and fog off Monterey Bay that helped to create a touch of Botrytis, or 'noble rot,' in our early Rieslings.
